

HOW FAR TO THE BEACH?

PAGE 1 OF 2

These signs are the **same distance apart** and say how far it is to the beach.

- a How far apart from each other are these sign posts?
- b What should the signs with the missing information say?

HOW FAR TO THE BEACH?

These two sets of signs say how deep the water is.

Compare these two number patterns.

- 1 What do you notice about how they **grow**?
- 2 What are the **missing** numbers?
- 3 What is the **rule** for each pattern?
