

5 SQUARING UP

1 Choose 3 colours

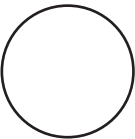

Colour 1

Colour 2

Colour 3

2 Colour the grid using **all** three colours.
You could create a pattern if you like.

3 Find the **area** covered by each colour in square units.

	Area covered by each colour (in square units)
Colour 1	
Colour 2	
Colour 3	

4 Write three sentences comparing the area covered by your three colours.
