

1 SPORT SORT

- 1 Cut out **each** of these pictures.
- 2 Put them into **groups** that have something in **common**.
- 3 You **must** have between **3 and 6** groups.
- 4 **Compare** your groups.
- 5 Make **3** statements about what you notice.
- 6 You could use words like:
more fewer most least same equal

You will find it easier to compare
if you arrange your groups in
rows or columns.
