

1 THE ROLL OF A DIE

- die numbered 1 to 6

- Roll the die and record each time a number is rolled as a tally mark on your copy of the chart.
Keep rolling the die until you have **30 tally marks** on your chart.
- Draw a bar graph of your data.
Write two sentences about what your graph shows
- Compare your tally chart and graph with two friends.
Write two sentences about what their graphs show.

Number	Tally	Total
