

MAKE A TOWER

Jason wants a **red** block on the top of his tower.

- 1 Which of these bags is he **most likely** to get a red block from, if he takes one without looking.

- 2 Which of the bags would it be **impossible** for Jason to take a red block from?
- 3 Which bag is it **certain** he will get a red block from?
- 4 Which bag does he have an **even chance** of taking a red block from?
