

SPLITTING ONE NUMBER INTO TENS AND ONES

PAGE 1 OF 2

$$25 + 43 = 43 + 25$$

How might Luka answer Ava?

= Finish solving the problem for Luka.

_____ + _____ = _____

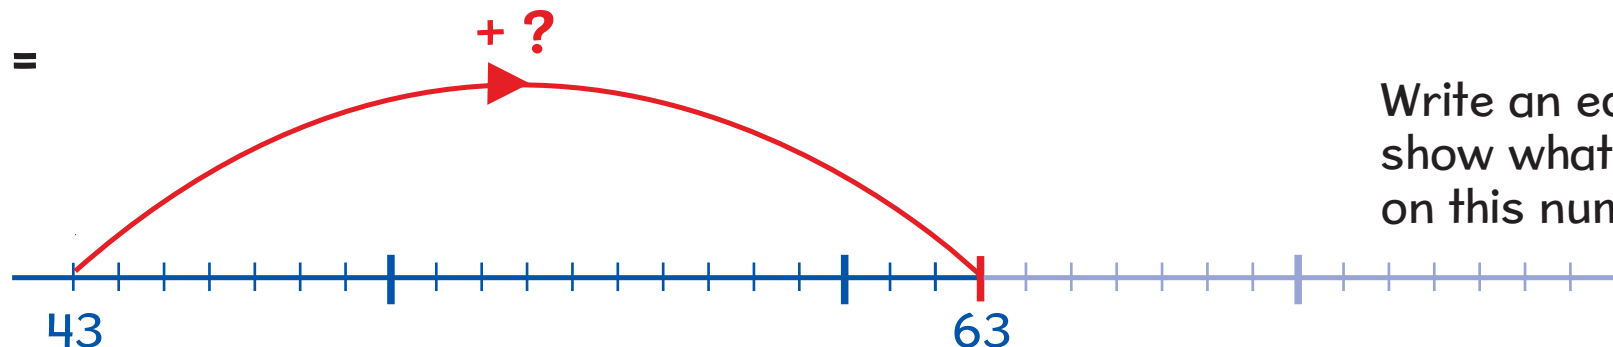

SPLITTING ONE NUMBER INTO TENS AND ONES

PAGE 2 OF 2

Ava checked Luka's strategy using a number line.
 Explain each step.

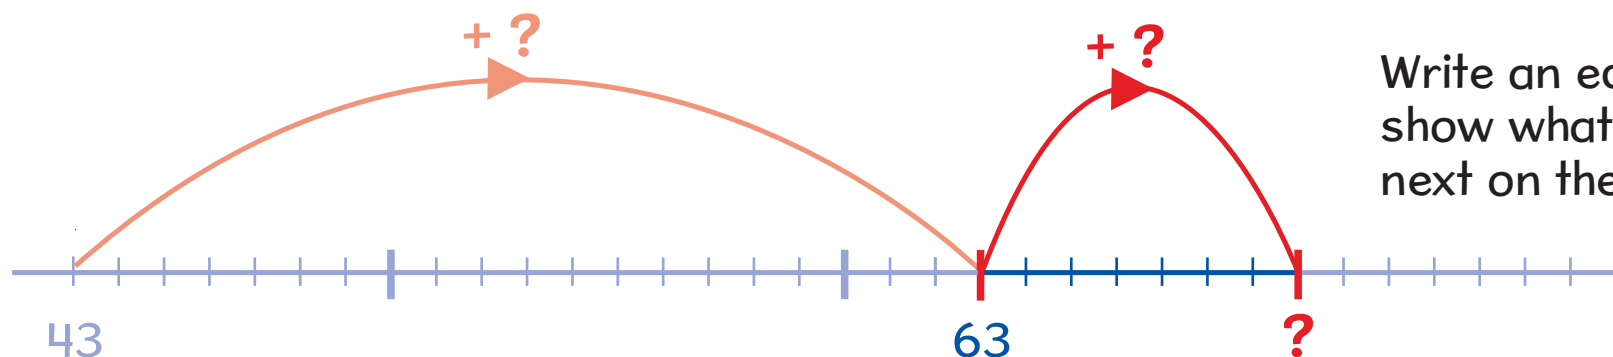

43 + 25 =

Step 1

Write an equation to show what is happening on this number line.

Step 2

Write an equation to show what happened next on the number line.

Ava

Finish this equation for Ava.

43 + 25 =
