

KEBABS

Some parents were making kebabs for the school picnic.

- 1 They had **50** pieces of chicken and wanted to put **5** pieces on each kebab.
How many kebabs could they make?

- 2 They had **30** cherry tomatoes and wanted to put **3** on each kebab with the chicken.
Can they do this? Explain.

- 3 How many fruit kebabs could the parents make with these?
- a **40** strawberries with **5** on each kebab
 - b **16** pieces of pineapple with **2** on each kebab
 - c **35** grapes with **5** on each kebab
