

BAGGING PIPi

Grandma asked Grandad to freeze the pipi he had collected in **bags of ten**.

He had **154** pipi to freeze.

He decided to make a chart to show how many bags of pipi he had made and how many pipi were left.

- a Finish Grandad's chart.
- b How many **bags of ten** did Grandad freeze altogether?
- c Were any pipi left over?
- d How many **tens** are in **all** of **154**?
