

Chapter 13 – Check up – Questions 1 & 2

Page 234

- 1
 - a Use the same colour to shade a group of shapes. Do this for as many groups as possible.
 - b Name each group and say why it is a group.

I coloured the circles green.
Circles are round.

- 2 Cut out the shapes.
Make a square using **all** the shapes in each group.

a **Group A**

b **Group B**
