

KIKI'S CAVE

PAGE 1 OF 2

Kiki found a cave where she could hide her eggs from the possums and stoats. These patterns were on the walls.

- 1 Kiki wanted to draw the **next two** shapes for each one. What would they look like?
- 2 What is the **rule** for continuing each pattern?
- 3 What goes in the table for each pattern?

Picture number	1	2	3	4	5	6
Number of kiwi	3
