

1 JUST LIKE CLOCKWORK

- the cardboard clock template and hands
- 1 flat paper plate or cardboard circle the same size as the template
- a split pin
- scissors
- glue

1 Photocopy the template clock and hands onto cardboard.

2 **Carefully cut** out the clock face and the hour and minute hands.

3 **Fold up** the flaps made by cutting the red dotted lines.

4 Glue the clock face (but not the flaps) **exactly** on top of the centre of the paper plate/cardboard.

Leave the flaps folded
so they **aren't** glued.

5 Poke the split pin through the ends of both clock hands, the centre of the clock face **and** the paper plate or cardboard.

6 a Under the 12 digit flap **write 00** on the paper plate.

b Under the 1 digit flap **write 5.**

c Under the 2 digit flap **write 10.**

d Under the 3 digit flap **write 15 etc.**
