

8 ALL MIXED UP

- 1 Granny Crinkle has dropped her groceries.
Each item has a letter on it and together they spell the name of a 2-D shape.
Unscramble the shape words.

- 2 Help Granny put the correct vegetable or fruit in the right box.
Match the 2-D shape words, in **question 1**, to the name of a lid shape on one of these prisms.
- 3 Name each of the prisms.

A prism is a 3-D shape
with two ends the same
and all flat faces.
