

## 5 A ROLL OF THE DIE

- scissors
- a die

- 1 Predict which **face** on this net will match the numbers 1-6 on your die.  
Write each a number on a face.
- 2 When each face has a number, cut out the net, fold it into a cube, and check against the real die.
- 3 Try again using a **different** net for the cube.

## 5 A ROLL OF THE DIE
