

2 WHICH WAY TO THE BEACH?

- 1 Talia can go to the beach **6 different** ways.
- Draw a **different** path on each of the grids below to show how Talia could get to the beach.
 - Write the directions for each.
The first one has been done for you.
 - Which is the **shortest** way to the beach?

- 2 Max lives further away.
He can go to the beach **10 different** ways.
- Draw the 10 paths and write the directions he can follow to the beach.

- Max made his **own** path to the beach.
Draw the **shortest** path he could make.
- How could you describe this path?
