

STATISTICAL JEOPARDY

Look closely at each of the following graphs or tables.

- 1 Name the type of graph or table.
- 2 Decide whether the graph or table shows categorical or numerical data.
- 3 Say how each set of data might have been collected.
- 4 Suggest a **question** that the data collected might answer.

Birds singing	Tally	Total
Monday		25
Tuesday		18
Wednesday		30
Thursday		28
Friday		16

Bugs eaten

0	0 1 1
1	0 3 6 7 7
2	1 2 5

Rats sighted near one fantail nest
