

5 Game

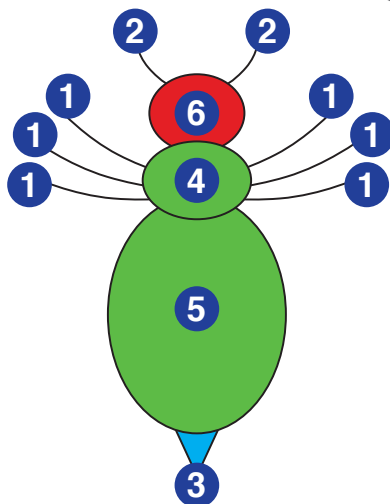

- small whiteboard
- whiteboard marker
- a die

Insecticide

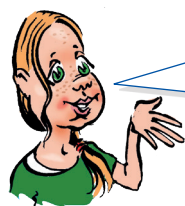

To begin, each player draws an insect on their whiteboard with these body parts.

- 1 Legs
- 2 Antennae
- 3 Sting
- 4 Thorax
- 5 Abdomen
- 6 Head

- You may erase 1 **leg**, **antennae** or the **sting** when you roll its number.
- You must erase **all** the legs **before** you erase the **thorax**.
- The **head** must be erased last.
- The person who erases the **whole** insect first wins.

- 1 What is the likelihood of rolling each number?
- 2 How would you reply to Katie's comment?

*It seems much harder to roll a six!
I wonder why?*
