

3 WINDMILLS

- 1 Divide the number on the flag of each windmill by the number on each of the propellers.
- 2 Write the fact for each propeller under its windmill.
The first equation is done for you.

Windmill 1

a	$200 \div 2 = 100$
b	
c	
d	

Windmill 2

a	
b	
c	
d	

Windmill 3

a	
b	
c	
d	

Windmill 4

a	
b	
c	
d
