

5 Game

- coloured pencils
- crayons
- scissors
- glue stick

Prickly problem

Each space is coloured according to the size of the fraction inside it.

- 1 Use the key to find what colour you should use.

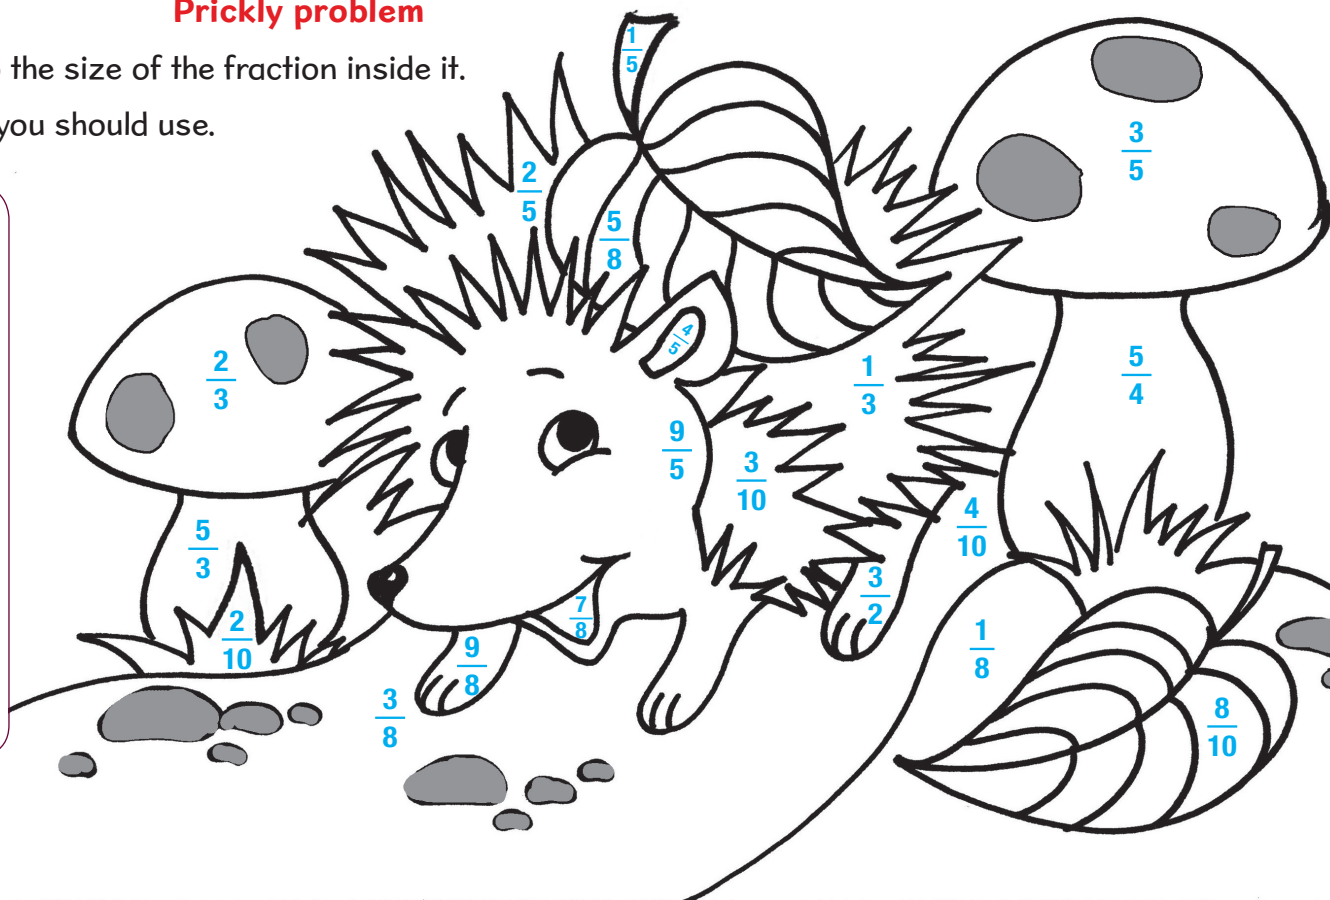

COLOURING KEY

Green Less than $\frac{1}{4}$

Dark Brown Between $\frac{1}{4}$ and $\frac{1}{2}$

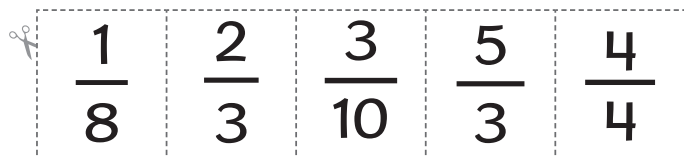

Red Between $\frac{1}{2}$ and 1 whole

Tan Greater than 1 whole

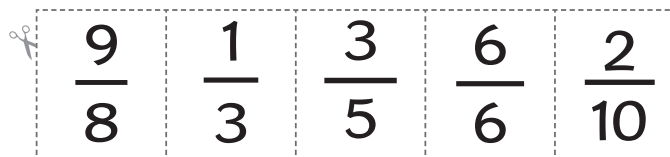

- 2 Cut out each of these strips and order the fractions from smallest to largest.
