

Chapter 18 – Activity 3 – Questions 1 and 2

Page 295

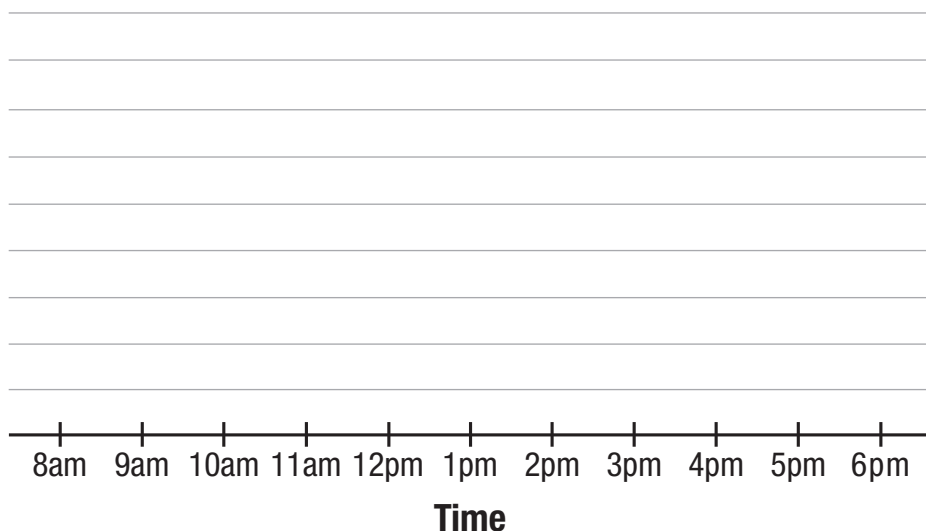

- 1 Ranger Jo collected data about the number of birds she saw around the hut each hour of the day.

Birds seen

Time	8am	9am	10am	11am	12pm	1pm	2pm	3pm	4pm	5pm	6pm
Number of birds	5	2	2	2	7	2	2	1	2	5	9

- a Draw a **dot plot** for her data.
- b Why do you think there are more birds around the hut at certain times of the day?

Number of birds

- 2 Ranger Jo wrote down the heights, in cm, of the weka she was watching.

20 16 20 17 21 21 22 23 23
23 23 24 25 19 30 26 28 31
19 29

- a Finish the **stem and leaf** plot.
- b Write a sentence about what the stem and leaf plot shows.
