

## WOULD THAT BE FAIR?

Katie's mum has made **18** yummy chocolates for afternoon tea.

Remember Katie will  
want some too!

- 1 How many friends could Katie invite over so that they could **all** have the **same number** of chocolates with **none** left over?  
Is there more than one answer?
- 2 What if she had
  - a 12 chocolates
  - b 20 chocolates
  - c 24 chocolates
  - d 36 chocolates
