

TWO WAYS

Jess and Max found the answer to $163 - 78$ in two different ways.

- a Finish both of Jess's and Max's ways to get the answer.
- b Do each of these using both ways.
- i $203 - 57$ ii $158 - 69$ iii $142 - 79$ iv $568 - 27$
- c Discuss which you think was the most efficient for each one and why.
