

2 PUZZLE MIX UP

- 1 Mr Brown mows his lawn every five days and Mr Smith mows his every eight days. They both mowed their lawns today.

How many days will it be before they both mow their lawns on the same day again?

- 2 A frog was in a 16 m deep hole which was filling with water. In 27 minutes' time it would be full!

The frog jumped 4 m up the side of the hole every 6 minutes but then he had to rest for a minute.

Would the frog get out of the hole before it filled with water?

- 3 If tomorrow will be two days after Thursday, what day was it the day before yesterday?

- 4 A car travels 100 km in 90 minutes.

How many minutes will it take to travel these distances?

- a 1 km b 10 km
c 45 km d 18 km
