

## Chapter 14 – Investigation - Question 3 - Table

Page 244

| Name of shape | Number of lines of symmetry | Rotational symmetry (Y / N) | Number of times it looks the same |
|---------------|-----------------------------|-----------------------------|-----------------------------------|
| square        | 4                           | Y                           | 4                                 |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |

## Chapter 14 – Investigation - Question 3 - Table

Page 244

| Name of shape | Number of lines of symmetry | Rotational symmetry (Y / N) | Number of times it looks the same |
|---------------|-----------------------------|-----------------------------|-----------------------------------|
| square        | 4                           | Y                           | 4                                 |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
|               |                             |                             |                                   |
