1 How would you sort these sets of data?

I want you to tell me...

- 1 if you like swimming in a pool or the sea
- 2 if you have ever had swimming lessons
- 3 how many times you go to the beach each year
- 4 if you have a swimming pool within walking distance of your house

I wanted to find out if Year 3 boys can skip for longer than Year 3 girls before tripping so I timed 20 girls and 20 boys.

Girls' times (seconds)

12 16 44 53 64 43
9 28 23 35 37
53 47 29 6 44
58 35 57 23 56

Boys' times (seconds)
