

NUMBERS, NUMBERS, NUMBERS

Use these rules to write number patterns.

PATTERN 1

Start at 4 and
increase by
3 each time

PATTERN 2

Start at 1 and
double the number
each time

PATTERN 3

Start at 256 and
halve the number
each time

PATTERN 4

Start at 1 and then
add 1, 2, 3, 4, 5, 6 ...
each time

PATTERN 5

Create a pattern
where the term
is 3 times the
term number

PATTERN 6

Create a pattern
where the term is
3 more than the
term number
