

STAR JUMPING

Stephanie was playing a computer game where she had to jump from star to star in the correct order to reach the planet Zed.

Some stars may be used more than once.

- a Start at 3.4 and jump in lots of 0.2 to reach Planet Zed in five jumps.
- b Start 3.25 and jump in lots of 0.25
- c Start at 3.23 and jump in lot of 0.02
