DOUBLE UPS FOR FACTORS CONTINUED

PAGE 3 OF 3

Instructions

- 1 Deal all of the cards out to your group.
- 2 Write all of the factors of the number that is on each of your own cards.
- 3 Make sets of cards that have a common factor.
- 4 Write down the cards in each set.
- 5 What is the lowest common factor for each set?

The group that finds the most sets are the winners.
