DOUBLE UPS FOR MULTIPLES CONTINUED

PAGE 3 OF 3

Instructions

- 1 Deal all of the cards out to your group.
 - 2 Write the first ten multiples of the number that is on each of your cards.
 - 3 Make sets of cards that have a common multiple.
 - 4 Write down the cards in each set.
 - 5 What is the lowest common multiple for each set?
- The group that finds the most sets are the winners.
