

MATCH MY ESTIMATE

- 1 Divide into groups of 3 or 4.
- 2 As quickly as possible, match each of these with their correct measurement.
You can only use each measurement **once**.
- 3 The first group to finish gets 50 points, the second 40 points and the third 30 points.
- 4 Five points are subtracted for each incorrect answer.
- 5 The group with the most points at the end is the winning group.

- ☐ Mass of a small dog
- ☐ Length of a medium car
