

3 RACE TO FIND

The aim of the race is to see who in your group can find or write down the most things that could be measured with each of these instruments, in a given time.

Your teacher will decide the time limit.

a kitchen scales in kg

b a ruler in cm

c a jug with a scale in mL

d a thermometer

Award 5 points for each correct item in each category.

The person with the most items in each category gets an extra 5 points.
