

EXTRA TASK SHEET

CHAPTER 15 - SYMMETRY AND TRANSFORMATIONS

1

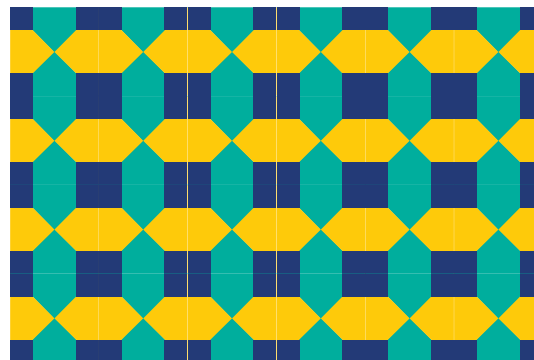

INVESTIGATE ISLAMIC ART

Some Islamic art is made by translating a symmetrical pattern.

- square dotty paper

For example the pattern on the left is translated to make the design on the right.

This sort of design is sometimes used for wallpaper and wrapping paper.

Make a symmetrical pattern and translate it to make a design suitable for wallpaper or wrapping paper.

You could draw the design on square dotty paper.
