

1 MAKE IT MATCH

- copies of these nets
- scissors
- sticky tape

- Cut out your copy of each of the nets.
- Fold them to make cubes.
- Try to put the four cubes in a row so that the patterns line up.

Each of the nets above is different.

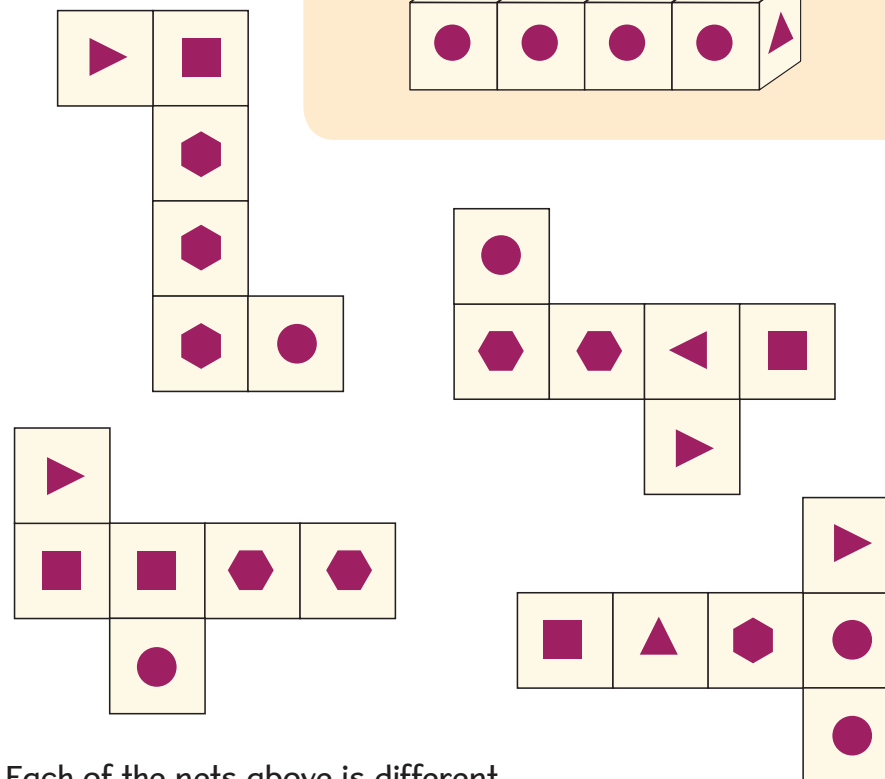

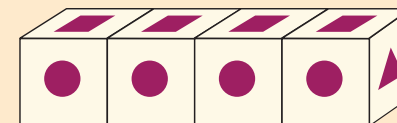

- Draw another different net for a cube.
- Put shapes on it **before** you cut it out and fold it, so that the patterns all match up as above.
