

3 27 SMALL CUBES

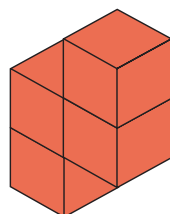

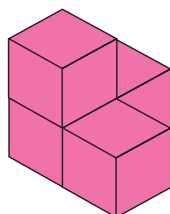

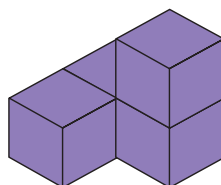

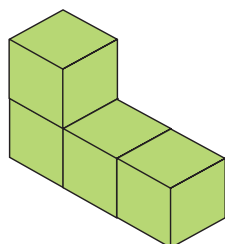

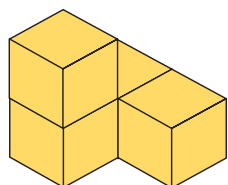

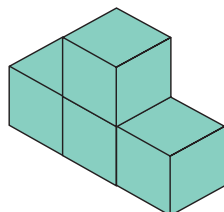

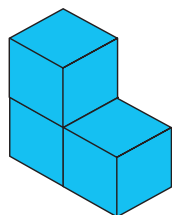

• 27 cubes

Glue cubes together to make these seven Soma cube pieces.

You could use interlocking cubes instead.

A Soma cube is a cube made from seven pieces that are all the different combinations of 3 or 4 cubes put together.

- Put **all** the seven Soma cubes together to make a 3 by 3 by 3 cube.
- Put **some** of the pieces together to make a 2 by 2 by 2 cube.
