

54 FLY YOUR KITE

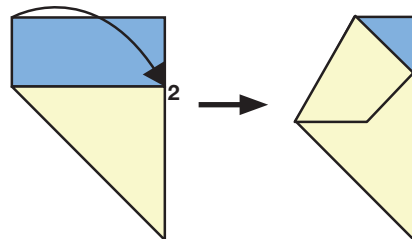

- some sheets of A4 and A5 paper

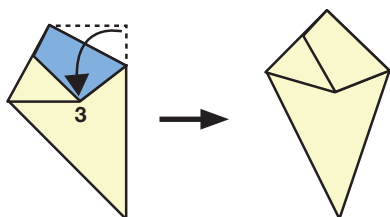

Making a kite

- 1 Fold the A4 paper to make a square from the bottom left hand corner. (1)

- 2 Fold the top left-hand corner to meet corner 2.

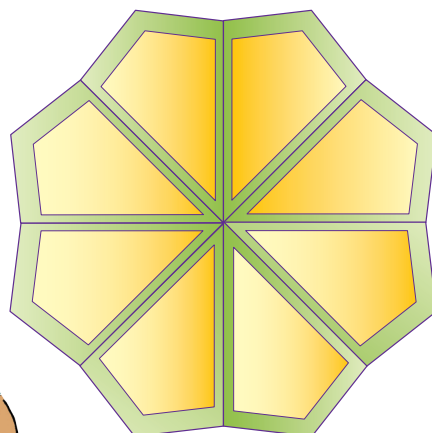

- 3 Fold the top right-hand corner to meet point 3 in the middle.

Make at least 8 of these kites.

Make 8 more of these kites using A5 paper.

Use your large and small kites to make a pattern.

I put 8 kites in a circle, then 8 smaller kites.
