

EXTRA TASK SHEET

CHAPTER 17 - NETS AND 3-D DRAWINGS

1 MAKING A BOX

- 1 Draw a net for a cube and make it into a box.
- 2 Decorate the box making sure some of your decoration goes over the edges.
- 3 Draw another net that would make the same cube, but this time decorate the net before making the cube.

Make sure that your decoration on this cube would make an identical box to the first one you made.
