

1 MYSTERY WORDS

• a coin

--	--	--	--	--	--	--	--	--	--

- 1 Make a copy of this diagram. It has 10 spaces.
- 2 Begin in the orange square.
- 3 Toss a coin.
If you toss a **tail**, write **A, E, I, O** or **U** in the square.
If you toss a **head**, write any other letter in the square.
- 4 Repeat for the other squares.
- 5 How many words can you make using some or all of the letters in the 10 squares?
