

EXTRA TASK SHEET

CHAPTER 22 - PROBABILITY

2 SPINNERS

- the shapes on this card
- 2 split pins
- thin card

- 1 Cut out these two spinner shapes and their pointers and paste them onto thin card.
- 2 Colour the sections of the two spinners differently to make one of the spinners a fair spinner and the other an unfair spinner.
- 3 Attach the pointers to the spinners with a split pin.
- 4 Explain why each of your spinners is fair or unfair.
- 5 Test each of your spinners to see if it is fair or unfair.
