## Number and Algebra

<b>1</b>	<b>Place value, rounding, estimating and ordering .....</b>	<b>15</b>
	Check up on level 3 and book 4A.....	16
	Rich tasks for this chapter .....	17
	Multiplying and dividing by 10, 100 and 1000 .....	18
	Using nested place value to add and subtract decimals .....	21
	Ordering decimals and integers .....	23
	Rounding decimals .....	25
	Estimating .....	28
<b>2</b>	<b>Fractions, decimals and percentages.....</b>	<b>31</b>
	Check up on level 3 and book 4A.....	32
	Rich tasks for this chapter .....	33
	Converting between fractions and decimals.....	34
	Converting between fractions, decimals and percentages.....	39
	Mixed fraction, decimal and percentage conversions .....	43
<b>3</b>	<b>Using multiplicative strategies with whole numbers .....</b>	<b>47</b>
	Check up on level 3 and book 4A.....	48
	Rich tasks for this chapter .....	49
	Divisibility tests .....	50
	Order of operations.....	52
	Multiplying using proportional adjustment .....	54
	Dividing using proportional adjustment.....	56
	Multiplying and dividing using proportional adjustment .....	58
	Dividing with remainders .....	59
	Multiplying using written methods.....	63
	Dividing using written methods .....	66
	Choosing whether to use a mental, written or machine method .....	68
<b>4</b>	<b>Special numbers.....</b>	<b>71</b>
	Check up on level 3 and book 4A.....	72
	Rich tasks for this chapter .....	73
	Square and square roots .....	74
	Cubes and cube roots .....	79
	Prime numbers.....	82
	Highest common factor and lowest common multiple .....	85
<b>5</b>	<b>Adding and subtracting integers, decimals and fractions .....</b>	<b>87</b>
	Check up on level 3 and book 4A.....	88
	Rich tasks for this chapter .....	89
	Adding and subtracting integers .....	90
	Adding and subtracting decimals.....	94
	Solving addition and subtraction problems using a mental, written or machine method .....	99
	Adding fractions with related denominators.....	101
	Adding and subtracting integers, decimals and fractions.....	105

# Contents

<b>6</b>	<b>Using multiplicative strategies .....</b>	<b>107</b>
	Check up on level 3 and book 4A.....	108
	Rich tasks for this chapter .....	109
	Fraction of .....	110
	Decimal multiplication.....	115
	Dividing with decimals.....	118
	Mixed multiplying and dividing decimals .....	122
	Percentage of.....	124
	Fractions, decimals and percentages .....	128
	Finding the missing number .....	129
<b>7</b>	<b>Fractions, rates and ratios .....</b>	<b>131</b>
	Check up on level 3 and book 4A.....	132
	Rich tasks for this chapter .....	133
	Comparing fractions .....	134
	Rates and equivalent rates .....	136
	Using proportional reasoning to solve problems .....	140
	Comparing proportions, rates and ratios .....	144
<b>8</b>	<b>Expressions, formulae and equations .....</b>	<b>147</b>
	Check up on level 3 and book 4A.....	148
	Rich tasks for this chapter .....	149
	Writing formulae and equations.....	150
	Solving equations using basic facts and estimation and improvement.....	152
	Solving equations by doing the inverse.....	153
	Solving equations by balancing both sides.....	156
	Substituting into equations and formulae.....	161
<b>9</b>	<b>Relationships and patterns .....</b>	<b>163</b>
	Check up on level 3 and book 4A.....	164
	Rich tasks for this chapter .....	165
	Finding the rule for a pattern .....	166
	Finding the general rule .....	173
	Real-life graphs.....	175

## Measurement and Geometry

<b>10</b>	<b>Time, timetables and charts.....</b>	<b>179</b>
	Check up on level 3 and book 4A.....	180
	Rich tasks for this chapter .....	181
	Time zones.....	182
	Time calculations .....	184
	Reading timetables and charts.....	188
<b>11</b>	<b>Converting between units .....</b>	<b>195</b>
	Check up on level 3 and book 4A.....	196
	Rich tasks for this chapter .....	197
	Metric conversions for capacity and land areas .....	198
	Mixed conversions.....	204

# Contents

<b>12</b>	<b>Perimeter, area and volume.....</b>	<b>210</b>
	Check up on level 3 and book 4A.....	211
	Rich tasks for this chapter.....	212
	Area of a triangle.....	214
	Perimeter and area of shapes made from other shapes.....	218
	Volume.....	223
<b>13</b>	<b>Using measures.....</b>	<b>225</b>
	Check up on level 3 and book 4A.....	226
	Rich tasks for this chapter.....	227
	Reading scales.....	228
	Making a scale drawing.....	230
	Making and using a clinometer.....	233
	Using measures.....	235
<b>14</b>	<b>Transformations.....</b>	<b>237</b>
	Check up on level 3 and book 4A.....	238
	Rich tasks for this chapter.....	239
	Enlargement.....	240
	Enlargement, area and volume.....	244
	Invariant properties of transformations.....	246
	Tessellations.....	250
<b>15</b>	<b>Shape.....</b>	<b>255</b>
	Check up on level 3 and book 4A.....	256
	Rich tasks for this chapter.....	257
	Sorting and classifying 2-D shapes.....	258
	Sorting and classifying 3-D shapes.....	261
	Subclasses of 2-D and 3-D shapes.....	265
	Constructing triangles.....	267
<b>16</b>	<b>Nets and drawings.....</b>	<b>269</b>
	Check up on level 3 and book 4A.....	270
	Rich tasks for this chapter.....	271
	Nets.....	272
	Isometric drawing.....	273
	Views.....	276
	Views, nets and drawings.....	282
	Perspective drawing.....	285
<b>17</b>	<b>Location.....</b>	<b>287</b>
	Check up on level 3 and book 4A.....	288
	Rich tasks for this chapter.....	289
	Six-figure grid references.....	290
	Topographical maps.....	292
	Compass directions and bearings.....	295
	Longitude and latitude.....	300
	Map reading.....	304

# Contents

## Statistics

<b>18</b>	<b>Statistical investigation</b> .....	<b>309</b>
	Check up on level 3 and book 4A.....	310
	Rich tasks for this chapter .....	311
	Displaying data – pie charts, scatter plots and two-way tables .....	312
	The Enquiry Cycle.....	322
<b>19</b>	<b>Probability</b> .....	<b>341</b>
	Check up on level 3 and book 4A.....	342
	Rich tasks for this chapter .....	343
	Probability from experiments.....	344
	Outcomes .....	349
	Calculating theoretical probability .....	351
	Comparing theoretical and experimental probability .....	356
<b>20</b>	<b>Statistical literacy</b> .....	<b>361</b>
	Check up on level 3 and book 4A.....	362
	Rich tasks for this chapter .....	363
	Statistical literacy .....	364
<b>21</b>	<b>Rich tasks for all strands</b> .....	<b>377</b>
1	Flying objects.....	378
2	Landscaping the school garden .....	380
3	Water weight .....	382
4	Don't hold your breath .....	385
5	A wharenui for your school .....	388
6	It's a dog's life .....	390
7	Abbie's vet clinic .....	392

<b>Answers</b> .....	<b>395</b>
