

TEACHER MAPPING GUIDE

A full detailed guide connecting **every** objective in the **2024 New Zealand Curriculum for Mathematics and Statistics for Years 3–8**. It covers both the Caxton Educational New Zealand Mathematics **Connecting All Strands** student books Years 3–8 (2A, 2B, 3A, 3B, 4A and 4B) and each companion Supplementary Student Books (Years 3–8).

HOW TO USE OUR GUIDE

Column one lists the objectives from the 2024 Mathematics and Statistics curriculum.

Column two gives you the page references from our existing Year 5 (3A) student book and from our supplementary student book (numbered NC5–...).

Column three lists our online resources.

Red text: The Teacher Resource Sheets (TRS) and Extra Tasks (ET) written in red are essential for fully covering the 2024 New Zealand curriculum. If you click on these you will be taken to the appropriate TRS or ET. These can then be displayed or printed.

Green text: The Teacher Resource Sheets (TRS) and Extra Tasks (ET) written in green are not essential but are aligned with the 2024 curriculum and could be used for support/homework/extra practice etc. You will need to go online to www.caxed.co.nz and then Teacher Support (top right) > click on the book you are using > click on the chapter referenced > click on Teacher Resource Sheets or Extra Tasks (in the green bordered box) and then go to the TRS or ET referenced.

Notes to teachers (purple text) are under the three columns and give notes and also links (in red) to our existing online teacher notes, where applicable.
