

Chapter 13 – Rich task 1 - How many people are there in a cubic metre? Page 219

1

How many people are there in a cubic metre?

- 1 Make a cubic metre.
You could use newspaper made into metre rolls or bamboo sticks or metre rulers.
Tape your metre lengths together.
- 2 How many of your classmates will fit inside a cubic metre?
- 3 What is the volume, in m^3 , of all your classmates, including you?
- 4 How many 1 cm^3 cubes will fit inside your cubic metre?
Think about how to work this out without having to fill it.
