

Chapter 15 – Activity 1 - Questions 1 and 2

Page 243

- 1 What is the order of reflective symmetry of these Maori patterns?
Draw on the lines of symmetry.

*a, b and f are kowhaiwhai and
c and d are tukutuku patterns.*

- 2 Ata was making symmetrical patterns for a poster on patterns from different cultures.
Draw the rest of these so that the dotted lines are lines of symmetry.
