There is treasure hidden on this island.
The directions are given below.
Where is the treasure hidden?

*From **Pirate's Cove** follow these bearings one after the other.*

045° to a noisy place

090° to a place where you might see birds

180° to where there will be water

315° to a place with a view

090° to a relaxing place

225° to a place you might need a towel

000° to where there could be boats

135° to the perfect place for hiding treasure.

All of these bearings describe one of the eight main compass points.
