

Chapter 17 – Rich task 3 - Box it

Page 279

3 Box it

The way things are packaged helps to sell them.

- card or thick paper
- scissors
- sticky tape

- Think of something that sells better if it is packaged interestingly.

Example chocolates, perfume, watches, sports balls.

- Design an interesting box for your item.
It can be any shape.
- Draw the net for the box and then decorate it.
- Fold the net to make the box.

Remember to
put tabs on
your net.
