3

- a Rachel's dad went away a lot for his job.
To make it fun, each night he sent his family clues as to where he was.
Work out where he was each night.

i **Monday's clues**

As the crow flies, I am about 45 km West of Cromwell.

ii **Tuesday's clues**

As the crow flies, I am about 80 km North of Wanaka.
(Actually, it is a few degrees West of North.)

iii **Wednesday's clues**

By road, I am 210 km North East of Mahitahi.

iv **Thursday's clues**

I am South East of Hokitika and North East of Timaru.
As the crow flies how far am I from Hokitika?

As the crow flies
means in a direct line.
Find out where this
saying came from.

- b Make up a four night road trip with some clues.
Give them to a partner to work out where you are each night.
