

Chapter 21 – Rich task 4 - Texting competition

Page 345

4

Texting competition

- Make some assertions or ask some questions about the texting abilities of year 7 and 8 pupils. Have at least three or four.
 - Examples** - Most year 7 and 8 pupils can text more than 12 words a minute.
 - Which is faster, predictive, shorthand or ordinary text?
- Hold a competition and collect data to answer your questions or test your assertions.
- Write a report on what you found.
