

## Chapter 9 – Practical

Page 161

## Practical

You will need a TV guide or you could find one online.

Most TV guides give the times as am and pm times.

Use the TV guide to choose 5 TV programmes you would like to watch this week.

Put the times in 24-hour time.

| Day | Programme | Start time | Finish time |
|-----|-----------|------------|-------------|
|     |           |            |             |
|     |           |            |             |
|     |           |            |             |
|     |           |            |             |
|     |           |            |             |
