

Chapter 9 – Rich task 2 - Day out

Page 158

2 Day out

- Choose an activity from your local district that you can get to by bus, train or ferry.
Example - Swimming, watching a sports match, visiting a tourist attraction, going to the beach, going to the movies.
- Plan a day out that uses at least two different timetables.
Example - Bus, train, movie sessions, times of activities.
- If there is time you could plan more than one activity.
- Draw a timeline of the day with all the times you need to know marked on it.
