Holiday time

- Plan a holiday to a place that is on a different island from the one you live on.

Example - If you live in Auckland (North Island), you could choose to visit Queenstown (South Island).

- Plan how you would get to and from the place.
You can use buses, trains, planes and ferries to get there.
- Make a timeline to show your journeys to and from your home.
- Plan a day of activities for while you are on holiday.
- Make a timeline for your activities day including travel to and from the activity.

Make sure that you have time to travel between airports, train stations and ferry terminals.
